**ORDER APPOINTING GUARDIAN AD LITEM**

This cause came on for consideration of the need for the appointment of a guardian ad litem and the Court FINDS and ORDERS as follows:

1. \_\_\_\_\_ is appointed as Guardian Ad Litem (“GAL”) on behalf of the above-named child(ren). For purposes of this Order, the term “custodian” shall refer to the child(ren)'s parent, guardian or custodian.
2. Upon presentation of this Order to any agency, hospital, organization, school, person or office including the Clerk of this Court, Department of Human Services, human service agencies, pediatricians, psychologists, psychiatrists, and law enforcement agencies, the aforementioned shall permit the GAL to inspect and/or copy any records relating to the child(ren) without consent by the child(ren) or his/her/their parents.
3. The GAL shall
  - (a) maintain any information received from any such source as confidential, and shall not disclose the same except in reports to this Court and other parties to this cause;
  - (b) upon presentation of this Order, have full access to all evidence and reports introduced during the proceedings;
  - (c) be noticed and have the right to appear at any hearings, interviews, investigations, depositions, or other proceedings concerning the child(ren), and no proceedings shall take place unless the GAL is accompanying the child(ren);
  - (d) be informed of all placement of the child(ren) and shall be a party to any agreement or plan entered into on behalf of the child(ren);
  - (e) serve as an arm of this Court – to investigate, find facts, and make an independent report to the Court. There is no attorney-client relationship between the child(ren) and the GAL. There is no confidential relationship between the child(ren) and the GAL;
  - (f) investigate the allegations before this Court, process the information found, report all material information to the Court, and make a recommendation after providing the Court with a summary of all material information which weighs on the issues to be decided by the Court, including any information which does not support the recommendation; and
  - (g) be consulted regarding all emergency matters, visitation issues, no-contact issues, and treatment issues regarding the child(ren).
4. If the GAL determines that it is the best interest of the child(ren) that (a) visitation by anyone with the child(ren) should be enabled, modified, suspended, or terminated or (b) any individual should have no contact with the child(ren), then the GAL shall notify the child(ren)'s custodian of such and shall request the Court Clerk to prepare an Order consistent with such recommendation. Such Order shall take effect immediately and if anyone objects to such Order, he/she shall be entitled to a Court review of such Order after he/she provides written notice of such objection to the Court Clerk and to the GAL.
5. Since the GAL is an arm of this Court, the GAL shall be allowed to communicate ex parte with the Court, but the GAL shall file a written memo regarding the content of such communication and orally inform the child(ren)'s custodian of such communication. If any custodian is aggrieved by such communication, such custodian shall be entitled to a Court review of such communication after he/she provides written notice of such objection to the Court Clerk and to the GAL.
